Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use of the Neck Bushing, please read this safety instruction guide carefully. It contains important information regarding safety guidelines, usage, and disposal.

General Safety Guidelines

- **Product Safety:** Always ensure that the Neck Bushing is used according to the instructions provided. This product complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** In the event of a safety concern, recall notices will be issued. Stay informed about any product recalls.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children and vulnerable groups.
- **EU Contact Point:** For safety inquiries, refer to the product packaging for the relevant contact information.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always inspect the Neck Bushing for any signs of damage before use. Do not use if damaged.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the bushing is properly installed before use to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Do not exceed the manufacturer's recommended specifications for usage.
- Keep the work area clean and organized to prevent accidents.

Instructions for Installation and Usage

Installation

1. Ensure that the reloading die is clean and free of debris.
2. Carefully insert the Neck Bushing into the reloading die.
3. Secure the bushing by tightening it according to the manufacturer's specifications.
4. Check for proper alignment and fit before proceeding to use.

Usage

1. Prepare your cases according to standard reloading procedures.
2. Insert the case into the die with the installed Neck Bushing.
3. Follow the reloading process as per your equipment's guidelines.
4. After use, remove the case and inspect both the case and the Neck Bushing for wear or damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal waste.
- Do not dispose of the product in general household waste.
- Ensure that the product is completely free of any materials before disposal.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the product packaging for the appropriate contact information. It is important to seek assistance if you encounter any issues or require further clarification on the product's use.

By following these guidelines, you can ensure safe and effective use of the Neck Bushing. Thank you for your attention to safety!
