

Neck Bushing ⌀12,7-8,57/.3374

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,57/.3374
- Manufacturer: TRIEBEL
- Product no.: EU2017735
- Mfr. No.: 3000240V-08.57
- Diameter mm: 12,7 / 8,57
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.57

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading processes. This guide provides essential safety instructions to ensure safe and effective use of the product while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the Neck Bushing.
- Ensure that the Neck Bushing is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Neck Bushing for any signs of damage before each use. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Neck Bushing.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Use the Neck Bushing in a wellventilated area to avoid inhalation of any dust or particles generated during use.
- Avoid contact with sharp edges and the internal surfaces of the bushing to prevent injury.
- Do not exceed the recommended sizing limits specified for the Neck Bushing.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading die is compatible with the Neck Bushing.
- Carefully insert the Neck Bushing into the reloading die, ensuring it is securely positioned.
- Follow the manufacturer's instructions for your specific reloading die to complete the installation.

2. Usage:

- Prepare your brass cases for neck sizing according to standard reloading practices.
- Set the reloading press to the appropriate settings as per your die instructions.
- Insert the brass case into the reloading press and apply consistent pressure to size the neck.
- Monitor the process closely to ensure proper sizing and avoid oversizing.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the Neck Bushing in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for appropriate disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please refer to the manufacturer's contact details provided in the product packaging or visit the official website.

By following these guidelines and instructions, you can ensure the safe and effective use of the Neck Bushing.

Thank you for your attention to safety, and enjoy your reloading experience!
