

Neck Bushing ⌀12,7-8,70/.3425

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: [Neck Bushing ⌀12,7-8,70/.3425](#)
- Manufacturer: [TRIEBEL](#)
- Product no.: EU2017741
- Mfr. No.: 3000240V-08.70
- Diameter mm: 12,7 / 8,70
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.70

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. It is crafted from highquality hardened steel, ensuring durability and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Ensure that the bushing is compatible with your reloading die and equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Use the Neck Bushing only for its intended purpose to avoid accidents.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about recalls or safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Neck Bushing.
- Do not exceed the recommended sizing specifications to avoid damaging the bushing or the reloading die.
- Ensure that the bushing is securely attached to the reloading die before use.
- Avoid using excessive force when resizing to prevent injury or damage to the equipment.
- If you experience any malfunctions or irregularities during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation

- Ensure that the reloading die is clean and free from debris.
- Choose the appropriate Neck Bushing size for your specific needs (Diameter V mm: 12.7 / 8.70).
- Carefully insert the Neck Bushing into the reloading die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's specifications to secure the bushing.

2. Usage

- Place the cartridge case into the reloading die.
- Operate the press smoothly and steadily to resize the neck of the cartridge case.
- After resizing, inspect the case to ensure it meets your specifications.
- Clean the Neck Bushing after use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations for metal products.
- Do not dispose of the product in general waste; consider recycling options where available.
- Ensure that the product is disposed of in a manner that prevents harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please contact the manufacturer or refer to your retailer for assistance. Ensure you have the product details ready for a more efficient support experience.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
