

Neck Bushing ⌀12,7-8,75/.3445

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-8,75/.3445
- Manufacturer: TRIEBEL
- Product no.: EU2017743
- Mfr. No.: 3000240V-08.75
- Diameter mm: 12,7 / 8,75
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-08.75

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading applications. This guide provides important safety instructions to ensure your safe and effective use of the product. Please read and follow these guidelines carefully.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the Neck Bushing as it is a nonfood product. Follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, remedies will be provided free of charge.
- **Online Shopping:** If you purchased this product online, remember that you have the same safety protections as you would in a physical store.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point for assistance.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the Neck Bushing.
- Ensure that the work area is clean and free of any hazards that could cause accidents.
- Do not use the Neck Bushing for purposes other than its intended use in neck sizing.
- Keep the Neck Bushing out of reach of children and pets to prevent accidental injury.
- Inspect the Neck Bushing before each use for any signs of damage or wear. Do not use if damaged.
- Follow all manufacturer instructions and guidelines during the use of the Neck Bushing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the reloading press is securely mounted and stable.

2. Installation:

- Carefully insert the Neck Bushing into the designated slot of your reloading die.
- Ensure that it is properly seated and secure before proceeding.

3. Usage:

- Adjust the reloading press according to the specifications for neck sizing.
- Feed the cases into the reloading press, ensuring they are aligned correctly with the Neck Bushing.
- Apply consistent pressure to achieve uniform neck sizing.
- After use, clean the Neck Bushing to remove any debris or residue.

Disposal Instructions

- Dispose of the Neck Bushing responsibly in accordance with local regulations.
- Do not throw the Neck Bushing in regular household waste.

- Check with your local waste management authority for proper disposal methods for metal tools.

Contact Information for Further Support

For additional information or support regarding the Neck Bushing, please refer to the manufacturer's website or customer service channels.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
