Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is neck sizing for reloading.
- Always handle the Neck Bushing with care to avoid injury.
- Store the Neck Bushing in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- If you notice any defects or irregularities, do not use the product and contact the manufacturer for guidance.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Neck Bushing.
- Ensure that your work area is clean and welllit to prevent accidents.
- Do not exceed the recommended specifications for the Neck Bushing, including the diameter and usage limits.
- Avoid using the product if you are tired or distracted, as this may lead to mistakes or accidents.
- Follow all instructions provided with your reloading equipment to ensure compatibility with the Neck Bushing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your reloading press is compatible with the Neck Bushing.

2. Installation:

- Remove the existing bushing from your reloading die.
- Carefully insert the Neck Bushing into the die, ensuring it is seated properly.
- Secure the bushing according to the manufacturer's instructions.

3. Usage:

- Set your reloading press to the appropriate settings for neck sizing.
- Insert the cartridge case into the die and apply pressure slowly and steadily.
- Monitor the process to ensure that the Neck Bushing is functioning correctly.
- After use, remove the cartridge case and inspect it for proper sizing.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal recycling.
- Do not throw the product in regular household waste.
- If the Neck Bushing is damaged or no longer usable, consider contacting a recycling center for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the contact details provided by the manufacturer. It is essential to have access to support for safe and effective use of this product.

By following these guidelines, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to safety.
