Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please read and follow all safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the Neck Bushing with care to avoid injury.
- Ensure that the product is used only for its intended purpose – neck sizing.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- In case of any malfunction or unusual behavior, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the Neck Bushing.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not exceed the recommended specifications for the use of the Neck Bushing.
- Avoid contact with moving parts of machinery when using the Neck Bushing.
- Do not attempt to modify or alter the Neck Bushing in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Neck Bushing.
- Clean the die and the Neck Bushing to remove any debris or oil.
- Insert the Neck Bushing into the die according to the manufacturer's instructions.
- Secure the Neck Bushing in place and check for proper alignment.

2. Usage:

- Set up your reloading press according to the manufacturer's guidelines.
- Adjust the press to accommodate the Neck Bushing.
- Place the cartridge case into the die and operate the press smoothly.
- Monitor the process to ensure that the neck sizing is performed accurately.
- After use, clean the Neck Bushing to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions regarding the safety or usage of the Neck Bushing, please consult the manufacturer's website or customer service for guidance.

Thank you for your attention to these safety instructions. Your understanding and adherence to these guidelines

will help ensure a safe and effective experience with the Neck Bushing.
