

Neck Bushing ⌀15-9,00/.3543

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,00/.3543
- Manufacturer: TRIEBEL
- Product no.: EU2017756
- Mfr. No.: 3000241V-09.00
- Diameter mm: 15 / 9,00
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.00

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for purchasing the Neck Bushing. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling the product.
- Follow all manufacturer instructions for safe operation and maintenance.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the Neck Bushing, including the diameter and other dimensional parameters.
- Ensure that the equipment you are using the Neck Bushing with is compatible and in good working condition.
- Avoid using the Neck Bushing in wet or damp conditions to prevent slips and accidents.
- Do not force the Neck Bushing into the die or any other equipment; ensure a proper fit.
- Always use the Neck Bushing in a wellventilated area to avoid inhaling any dust or debris.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and organized.
- Gather all necessary tools and equipment before beginning.

2. Installation:

- Securely attach the Neck Bushing to the reloading die, following the manufacturer's specifications.
- Doublecheck that the bushing is properly seated and aligned.

3. Usage:

- Insert the case into the reloading die with the Neck Bushing installed.
- Operate the reloading press according to the manufacturer's instructions.
- Monitor the process closely to ensure that the neck sizing is performed correctly.

4. PostUsage:

- After use, clean the Neck Bushing to remove any debris or residue.
- Store the Neck Bushing in a dry, safe place away from children.

Disposal Instructions

- Dispose of the Neck Bushing responsibly. If it is no longer usable, follow local regulations for metal recycling.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with the product packaging. Always ensure to report any unsafe products or incidents to the relevant authorities.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
