

Neck Bushing ⌀15-9,04/.3559

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,04/.3559
- Manufacturer: TRIEBEL
- Product no.: EU2017757
- Mfr. No.: 3000241V-09.04
- Diameter mm: 15 / 9,04
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.04

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Wear safety glasses to protect your eyes from debris.
 - Use gloves to prevent cuts and abrasions while handling.
- **Handling:**
 - Handle the Neck Bushing with care to avoid injury.
 - Do not apply excessive force when using the bushing.
- **Storage:**
 - Store the Neck Bushing in a dry and secure place.
 - Keep it in its original packaging or a protective case to prevent damage.
- **Usage Environment:**
 - Use the product in a welllit and clean workspace.
 - Ensure the work area is free from distractions and hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is compatible with the Neck Bushing.
- Carefully insert the Neck Bushing into the die, ensuring a snug fit.
- Tighten the die according to the manufacturer's instructions to secure the bushing in place.

2. Usage:

- Adjust the die to the desired neck sizing depth.
- Place the cartridge case into the die and apply consistent pressure to resize the neck.
- Inspect the resized neck for uniformity and proper fit.

3. PostUsage:

- Remove the cartridge case from the die.
- Clean the Neck Bushing after each use to maintain performance and prevent corrosion.
- Store the Neck Bushing properly after use.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling if applicable.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided in the product packaging or documentation.

Thank you for your attention to these safety guidelines. Your safety is our priority.
