Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, designed for precise neck sizing in reloading applications. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- **Product Safety:** This product is manufactured to ensure safe use. Always follow the instructions provided to minimize risks.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations to guarantee the product's safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Hazard Identification:** The Neck Bushing is designed for specific reloading applications. Misuse may lead to injuries or product damage. Always inspect the bushing for any signs of wear or damage before use.
- **Avoiding Hazards:** Do not exceed the recommended specifications for the Neck Bushing. Ensure that the bushing is securely fitted to the reloading die before use. Use appropriate safety gear, such as safety glasses, when handling and operating reloading equipment.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that only qualified adults handle the bushing.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring a snug fit.
- Tighten any securing mechanisms according to the die manufacturer's instructions.

2. Usage:

- Set up your reloading press according to the manufacturer's guidelines.
- Use the Neck Bushing to size the neck of the cartridge case as specified in your reloading manual.
- Monitor the process closely to ensure that the bushing is functioning correctly.
- After use, remove the bushing from the die and clean it thoroughly to maintain performance.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged, follow your local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please consult the manufacturer's website or contact the seller from whom you purchased the product. They can provide you with the necessary support and information.

By following these safety instructions, you can ensure the safe and effective use of the Neck Bushing. Thank you for your attention to safety, and happy reloading!
