

Neck Bushing ⌀15-9,07/.3571

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,07/.3571
- Manufacturer: TRIEBEL
- Product no.: EU2017759
- Mfr. No.: 3000241V-09.07
- Diameter mm: 15 / 9,07
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.07

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the optimal performance of the Neck Bushing, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the Neck Bushing as intended and in accordance with the manufacturer's recommendations.
- Ensure that the work area is clean and free from distractions while using the Neck Bushing.
- Keep the Neck Bushing and all reloading equipment out of reach of children and unauthorized users.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.
- Do not exceed the recommended specifications for the Neck Bushing, including the diameter and material compatibility.
- Avoid using the Neck Bushing with damaged or incompatible reloading dies.
- Always follow the reloading guidelines provided by your die manufacturer to prevent accidents and ensure safe operation.
- If you experience any unusual noise or resistance while using the Neck Bushing, stop immediately and inspect the tool.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Insert the Neck Bushing into the appropriate die according to the manufacturer's instructions.
- Secure the die in the reloading press, ensuring it is properly aligned.

2. Usage:

- Adjust the reloading press to the desired settings as per your reloading specifications.
- Carefully place the cartridge case into the die and apply steady pressure to resize the neck.
- Inspect the resized neck for uniformity and dimensional accuracy.
- After use, clean the Neck Bushing to remove any residue or debris.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the Neck Bushing is damaged or no longer usable, consider recycling the material where possible.
- Do not dispose of the Neck Bushing in household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please contact the manufacturer's customer service or visit their official website for support.

By following these guidelines, you can ensure the safe and effective use of the Neck Bushing. Thank you for prioritizing safety in your reloading activities.
