Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the product is used only by individuals who are familiar with reloading processes.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when handling the Neck Bushing to protect against metal shavings and debris.
- **Work Environment:** Use the Neck Bushing in a well-ventilated area to avoid inhalation of any harmful particles.
- **Handling:** Handle the Neck Bushing with care to avoid injury. Ensure that your hands are dry and free from any substances that could cause slippage.
- **Compatibility:** Ensure the Neck Bushing is compatible with your reloading dies. Use only with original reloading dies from Triebel Waffenwerkzeuge.
- **Storage:** Store the Neck Bushing in a dry, safe location to prevent rust and damage.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Remove any existing bushing from the reloading die.
- Insert the Neck Bushing into the die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's specifications.

2. Usage:

- Adjust the reloading press according to the type of cartridge you are reloading.
- Place the case in the reloading die and operate the press smoothly.
- Monitor the operation closely to ensure consistent neck sizing.
- After use, clean the Neck Bushing to remove any residue or debris.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged beyond use, consider recycling it if possible.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's website or contact their customer service team for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Neck Bushing.
Thank you for your attention to these guidelines.
