

Neck Bushing ⌀15-9,10/.3583

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,10/.3583
- Manufacturer: TRIEBEL
- Product no.: EU2017762
- Mfr. No.: 3000241V-09.10
- Diameter mm: 15 / 9,10
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.10

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. Please read this safety instruction guide carefully to ensure safe and effective use of the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the Neck Bushing.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not attempt to modify or alter the Neck Bushing in any way.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Use the Neck Bushing only for its intended purpose—neck sizing of cartridges.
- Avoid exposure to extreme temperatures, humidity, or corrosive environments which may affect the integrity of the product.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Insert the Neck Bushing into the appropriate reloading die, ensuring a snug fit.
- Tighten any locking mechanisms to secure the Neck Bushing in place.

2. Usage:

- Prepare the cartridge case by cleaning and inspecting it for defects.
- Place the cartridge case into the reloading die with the installed Neck Bushing.
- Operate the reloading press according to the manufacturer's instructions, applying steady and even pressure.
- After sizing, carefully remove the cartridge case and inspect it for proper sizing.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged beyond use, consider recycling it if possible.
- Do not dispose of the Neck Bushing in general waste; check for designated recycling facilities.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the EU-based contact point provided with your product packaging or visit the manufacturer's website for more information.

Conclusion

By following these safety instructions, you can ensure the effective and safe use of your Neck Bushing. Always prioritize safety and compliance with the EU General Product Safety Regulation. Thank you for your attention to these guidelines.
