

Neck Bushing ⌀15-9,13/.3594

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,13/.3594
- Manufacturer: TRIEBEL
- Product no.: EU2017764
- Mfr. No.: 3000241V-09.13
- Diameter mm: 15 / 9,13
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.13

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precision neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage precautions, and disposal.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Inspect the Neck Bushing for any signs of damage or wear before each use.
- Keep the Neck Bushing out of reach of children and pets.
- Use the Neck Bushing only for its intended purpose, which is neck sizing in reloading dies.
- Report any unsafe product conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Neck Bushing.
- Ensure that the reloading equipment is properly set up and securely fastened before use.
- Do not exceed the recommended sizing limits specified by the manufacturer.
- Avoid using the Neck Bushing if you are tired or under the influence of substances that may impair your judgment.
- Keep hands and other body parts clear of moving parts during operation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials required for neck sizing.
- Ensure that your reloading die is compatible with the Neck Bushing.

2. Installation:

- Loosen the lock ring on the reloading die.
- Insert the Neck Bushing into the reloading die.
- Tighten the lock ring securely to hold the Neck Bushing in place.

3. Usage:

- Adjust the die to the desired depth for neck sizing.
- Insert the cartridge case into the shell holder.
- Raise the ram to bring the case into contact with the Neck Bushing.
- Lower the ram to complete the sizing process.
- Remove the cartridge case and inspect for proper sizing.

4. PostUsage:

- Clean the Neck Bushing after each use to remove any debris or residue.
- Store the Neck Bushing in a dry, safe place away from direct sunlight.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or further support regarding the Neck Bushing, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience when using the Neck Bushing. Thank you for your attention to these important guidelines.
