

Neck Bushing ⌀15-9,19/.3618

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,19/.3618
- Manufacturer: TRIEBEL
- Product no.: EU2017768
- Mfr. No.: 3000241V-09.19
- Diameter mm: 15 / 9,19
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.19

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the Neck Bushing.

General Safety Guidelines

- Ensure the Neck Bushing is compatible with your reloading die system before use.
- Always inspect the Neck Bushing for any signs of damage or wear before each use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use the Neck Bushing only for its intended purpose as described in this guide.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls or safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the Neck Bushing.
- Ensure that your work area is clean and free from distractions while using the Neck Bushing.
- Do not force the Neck Bushing into the die; it should fit smoothly.
- Avoid using the Neck Bushing if it has been exposed to extreme temperatures or chemicals.
- Never modify the Neck Bushing in any way, as this may compromise its integrity and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Insert the Neck Bushing into the reloading die until it is firmly seated.
- Check that the bushing is securely in place before proceeding.

2. Usage:

- Adjust your reloading press according to the manufacturer's instructions for the specific die.
- Begin the reloading process by following the standard procedures for neck sizing.
- Monitor the process closely to ensure that the Neck Bushing operates smoothly.
- If you notice any irregularities, stop using the bushing immediately and inspect it for damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the Neck Bushing in household waste.
- Consider recycling the Neck Bushing if possible, as it is made from highquality hardened steel.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please consult the manufacturer's customer support resources or your local retailer for assistance.
