Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing during reloading processes. To ensure safe and effective use, please carefully read and follow these safety instructions.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following all instructions.
- This product is intended for use by adults and should be kept out of reach of children.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in this manual.
- If you experience any problems or have concerns about the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Avoid contact with sharp edges or moving parts during operation.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Do not exceed the recommended sizing specifications to avoid damaging the bushing or your reloading equipment.
- Keep hands and other body parts clear of the bushing during use to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workstation is clean and organized.
- Gather all necessary tools and materials before starting.

2. Installation:

- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is securely fastened and properly aligned.

3. Usage:

- Set the reloading press to the correct settings as per the specifications for your ammunition.
- Feed the cartridge case into the die with the Neck Bushing attached.
- Operate the reloading press smoothly and steadily to achieve precise neck sizing.
- After use, remove the bushing from the die and clean it according to the maintenance instructions provided.

Disposal Instructions

- Dispose of the Neck Bushing responsibly.
- If the product is damaged or no longer usable, follow local regulations for the disposal of metal products.
- Do not dispose of the product in household waste. Instead, consider recycling options.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your purchase.

Thank you for prioritizing safety while using the Neck Bushing. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
