Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. Proper use and care are essential for ensuring safety and optimal performance. Please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the bushing is compatible with your reloading dies.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- Keep the bushing out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When handling the Neck Bushing, wear appropriate personal protective equipment, including safety glasses and gloves.
- Do not exceed the recommended dimensions and specifications for the bushing.
- Ensure that the bushing is properly secured in the reloading die before use.
- Avoid using the bushing if it appears damaged or defective.
- Do not attempt to modify or alter the bushing in any way.

Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure that your workspace is clean and welllit.
2. **Installation:**
 - Remove the existing bushing from your reloading die if applicable.
 - Carefully insert the Neck Bushing into the die, ensuring it fits snugly.
 - Tighten any set screws or fasteners to secure the bushing in place.
3. **Usage:**
 - Follow the manufacturer's guidelines for reloading and neck sizing.
 - Monitor the bushing during operation for any unusual sounds or vibrations.
 - After use, clean the bushing to remove any debris or residue.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the bushing in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For safety inquiries and additional support, please refer to the manufacturer's contact information provided with the product packaging.
