

Neck Bushing ⌀15-9,25/.3642

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,25/.3642
- Manufacturer: TRIEBEL
- Product no.: EU2017772
- Mfr. No.: 3000241V-09.25
- Diameter mm: 15 / 9,25
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.25

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel to ensure durability and accuracy. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the Neck Bushing if you notice any defects or irregularities.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or using the Neck Bushing.
- Ensure that the workspace is clean and free from distractions.
- Follow all manufacturer instructions when using the Neck Bushing with reloading dies.
- Avoid using excessive force during the sizing process to prevent damage to the product and ensure safety.
- Store the Neck Bushing in a safe and dry place when not in use to prevent accidents and damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that all necessary tools and equipment are available before starting the sizing process.
- Clean the Neck Bushing and reloading die to remove any debris or contaminants.

2. Installation:

- Carefully insert the Neck Bushing into the reloading die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

3. Usage:

- Place the cartridge case into the reloading press.
- Gently pull the handle to size the neck of the cartridge case.
- Inspect the case for proper sizing after the operation is complete.

4. PostUsage:

- Remove the Neck Bushing from the die after use.
- Clean the bushing to maintain its precision and longevity.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Neck Bushing, please refer to the EU contact point provided with the product packaging or visit the EU's Safety Gate platform for updates and information on recalls.

Thank you for prioritizing safety in your reloading activities. Your attention to these guidelines helps ensure a safe and effective experience with the Neck Bushing.
