Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. It is important to follow the safety instructions provided in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the Neck Bushing before use. Look for any signs of damage or wear.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates regarding the product through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when handling the Neck Bushing.
- Do not exceed the specified diameter limits during use to avoid potential hazards.
- Ensure that the Neck Bushing is securely attached to the reloading die before use.
- Avoid using the Neck Bushing if it is damaged or defective.
- Follow all local regulations regarding the use of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work area is clean and free from obstructions.
- Select the appropriate reloading die compatible with the Neck Bushing.
- Carefully insert the Neck Bushing into the reloading die, ensuring a snug fit.
- Tighten any securing mechanisms as per the manufacturer's instructions.

2. Usage:

- Adjust the reloading die to the desired settings according to your specifications.
- Place the cartridge case into the reloading die with the Neck Bushing installed.
- Apply steady pressure to resize the neck of the cartridge case.
- Remove the resized cartridge case and inspect it for any defects.

3. PostUsage:

- Clean the Neck Bushing after use to remove any residue or debris.
- Store the Neck Bushing in a secure location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal products.
- Do not dispose of the Neck Bushing in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with the product packaging. Ensure that you have the product details ready when reaching out for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
