

Neck Bushing ⌀15-9,28/.3654

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,28/.3654
- Manufacturer: TRIEBEL
- Product no.: EU2017775
- Mfr. No.: 3000241V-09.28
- Diameter mm: 15 / 9,28
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.28

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, designed for precise neck sizing in reloading applications. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read through the entire document before using the Neck Bushing.

General Safety Guidelines

- Always handle the Neck Bushing with care to avoid injury.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Inspect the Neck Bushing for any damage or defects before use. Do not use if damaged.
- Report any unsafe conditions or incidents involving the Neck Bushing to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling the Neck Bushing.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Do not exceed the recommended specifications for the Neck Bushing, including the diameter and usage limits.
- Avoid using the Neck Bushing in wet or damp conditions to prevent slippage and accidents.
- Do not modify or alter the Neck Bushing in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Tighten the bushing securely to ensure proper alignment and function.

2. Usage:

- When using the Neck Bushing, ensure that the reloading press is properly set up and functioning.
- Insert the case into the reloading die and apply steady pressure to resize the neck.
- Inspect the resized case for uniformity and proper sizing after use.
- Clean the Neck Bushing regularly to maintain performance and prevent buildup of residue.

Disposal Instructions

- Dispose of any damaged or unusable Neck Bushings in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's official contact channels for assistance.
