

Neck Bushing ⌀15-9,35/.3681

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,35/.3681
- Manufacturer: TRIEBEL
- Product no.: EU2017780
- Mfr. No.: 3000241V-09.35
- Diameter mm: 15 / 9,35
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.35

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This highquality product is designed for precise neck sizing in reloading applications. To ensure your safety and the proper use of this product, please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following all instructions provided.
- Be aware of potential risks associated with the use of reloading equipment.
- Always handle the Neck Bushing with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Neck Bushing.
- Inspect the Neck Bushing for any signs of damage or wear before each use.
- Do not exceed the recommended sizing specifications for your specific reloading application.
- Ensure that the Neck Bushing is securely installed in the reloading die before use.
- Avoid using excessive force when resizing, as this may damage the bushing or the reloading die.
- Keep your work area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring a snug fit.
- Secure the reloading die in your reloading press according to the manufacturer's instructions.

2. Usage:

- Prepare your brass cases for neck sizing by cleaning and inspecting them.
- Insert the brass case into the reloading press.
- Slowly and steadily apply pressure to resize the neck of the brass case using the Neck Bushing.
- After resizing, remove the brass case and inspect it for any signs of damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the Neck Bushing if it is no longer usable.

Contact Information for Further Support

For any inquiries regarding the Neck Bushing or safety concerns, please reach out to the designated EU contact point for assistance.
