

Neck Bushing ⌀15-9,36/.3685

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,36/.3685
- Manufacturer: TRIEBEL
- Product no.: EU2017781
- Mfr. No.: 3000241V-09.36
- Diameter mm: 15 / 9,36
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.36

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing, a precision tool designed for neck sizing in reloading applications. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the product is used in a safe environment, free from distractions and hazards.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and contact your supplier.
- Familiarize yourself with the specific risks associated with the use of reloading equipment and take appropriate precautions.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Neck Bushing.
- Do not exceed the recommended specifications for the Neck Bushing, including diameter limits.
- Ensure that the Neck Bushing is securely attached to your reloading die before use.
- Avoid using excessive force when sizing cases to prevent damage to the Neck Bushing or the cases.
- Keep hands and other body parts clear of moving parts during operation.
- Do not modify or alter the Neck Bushing in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Inspect the Neck Bushing for any visible defects.
- Securely attach the Neck Bushing to your reloading die, ensuring it is properly aligned.
- Tighten the bushing according to the manufacturer's specifications.

2. Usage:

- Prepare your cases for neck sizing by cleaning and inspecting them.
- Insert the case into the reloading die with the attached Neck Bushing.
- Apply steady, even pressure to size the neck of the case.
- After sizing, remove the case carefully and inspect it for proper sizing.
- Store the Neck Bushing in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the Neck Bushing responsibly in accordance with local regulations.
- If the Neck Bushing is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please contact your supplier or refer to the manufacturer's website for additional support and information.

By following these safety instructions, you can ensure the safe and effective use of the Neck Bushing. Thank you for your attention to these important guidelines.
