

Neck Bushing ⌀15-9,50/.3740

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,50/.3740
- Manufacturer: TRIEBEL
- Product no.: EU2017783
- Mfr. No.: 3000241V-09.50
- Diameter mm: 15 / 9,50
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.50

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure your safety and the optimal performance of the Neck Bushing, please read and follow the safety instructions and guidelines outlined in this document.

General Safety Guidelines

- Always use the Neck Bushing as intended and in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from obstructions to prevent accidents while using the product.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for signs of wear or damage before each use. Do not use if damaged.
- Store the Neck Bushing in a safe and dry place when not in use to prevent corrosion and damage.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Neck Bushing.
- Ensure that all equipment used in conjunction with the Neck Bushing is in good working condition.
- Do not exceed the manufacturer's specified dimensions and tolerances during use.
- Avoid using the Neck Bushing with incompatible materials that may cause injury or damage.
- If you experience any discomfort or notice any irregularities while using the product, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die until it is securely in place.
- Check that the Neck Bushing is properly seated and aligned.

2. Usage:

- Adjust the reloading press to the desired settings before beginning the neck sizing process.
- Place the cartridge case in the appropriate position and apply steady pressure to size the neck.
- Monitor the process closely to ensure consistent results and avoid oversizing.
- After use, clean the Neck Bushing with a soft cloth to remove any residue or debris.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Neck Bushing, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important guidelines.
