Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Neck Bushing to ensure a safe experience.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions to avoid potential hazards.
- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Store the Neck Bushing in a dry and secure location, away from children and unauthorized users.
- Be aware of the specific risks associated with using reloading equipment and take necessary precautions.
- Regularly check for any product recalls or safety alerts on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Wear appropriate safety gear, such as safety glasses, when using the Neck Bushing.
- Do not exceed the recommended specifications for use to prevent damage or injury.
- Keep hands and other body parts clear of moving parts during operation.
- Avoid using the Neck Bushing if you are tired or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and free of obstructions.
- Gather all necessary tools and materials before starting the installation process.

2. Installation:

- Carefully read the instructions provided with your reloading die.
- Insert the Neck Bushing into the appropriate die according to the manufacturer's guidelines.
- Ensure that the bushing is securely fitted and does not wobble.

3. Usage:

- Follow the reloading die instructions for sizing cases.
- Monitor the process closely to ensure correct operation and to identify any unusual noises or behaviors.
- After use, remove the Neck Bushing and clean it to maintain its performance.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal recycling and hazardous waste.
- Do not throw the product in regular household waste.
- Ensure that the product is disposed of safely to prevent any potential hazards to the environment or public health.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support related to the Neck Bushing, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Neck Bushing responsibly.
