

Neck Bushing ⌀15-9,70/.3819

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,70/.3819
- Manufacturer: TRIEBEL
- Product no.: EU2017786
- Mfr. No.: 3000241V-09.70
- Diameter mm: 15 / 9,70
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.70

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and usage information to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of this product.
- Always use the Neck Bushing in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Check for any recalls or safety alerts related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Inspect the Neck Bushing before each use for signs of damage or wear.
- Do not use the Neck Bushing if it appears to be damaged.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the Neck Bushing.
- Use the Neck Bushing only for its intended purpose of neck sizing. Do not attempt to use it for any other applications.
- Ensure that the work area is clean, welllit, and free of any obstructions before use.
- Maintain a safe distance from moving parts when operating machinery that utilizes the Neck Bushing.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it is seated properly.
- Tighten any securing mechanisms to hold the bushing in place.

2. Usage:

- Prepare the cartridge case according to standard reloading practices.
- Insert the cartridge case into the reloading die with the installed Neck Bushing.
- Operate the reloading press according to the manufacturer's instructions, applying steady and even pressure.
- After sizing, remove the cartridge case from the die and inspect it for proper sizing.

3. PostUsage:

- Clean the Neck Bushing after each use to remove any residue or debris.
- Store the Neck Bushing in a dry, safe location away from children and pets.

Disposal Instructions

- Dispose of the Neck Bushing responsibly in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste if it is damaged or no longer usable.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please consult the manufacturer's website or customer service. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure the safe and effective use of the Neck Bushing. Thank you for your attention to these guidelines.
