Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and made from highquality hardened steel to ensure durability and accuracy. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always handle the Neck Bushing with care to avoid injury or damage.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- If the Neck Bushing is damaged, do not use it. Dispose of it according to the disposal instructions in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.
- Ensure that your workspace is clean and welllit to prevent accidents.
- Avoid distractions while using the Neck Bushing to maintain focus and precision.
- Do not exceed the recommended sizing limits specified by the manufacturer.
- Use the Neck Bushing only with compatible reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Do not modify the Neck Bushing in any way, as this may compromise its safety and effectiveness.
- Follow all relevant safety guidelines for the tools and equipment used in conjunction with the Neck Bushing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for reloading.
- Ensure that the work area is clean and organized.

2. Installation:

- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is securely in place and properly aligned.

3. Usage:

- Begin the neck sizing process by following the specific reloading procedure for your equipment.
- Monitor the process closely to ensure that the Neck Bushing is functioning correctly.
- If you encounter any issues, stop using the bushing immediately and inspect it for damage.

4. PostUse Care:

- Clean the Neck Bushing after use to remove any debris or residue.
- Store the Neck Bushing in a safe and dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- If the product is damaged or no longer usable, ensure that it is recycled or disposed of safely.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing or its usage, please consult the manufacturer's customer support or visit their official website for more information.
