Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific reloading setup.
- Inspect the Neck Bushing for any signs of damage or wear before each use.
- Store the Neck Bushing in a dry and safe location, away from children and pets.
- Do not use the Neck Bushing if it appears defective or damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use protective eyewear when operating machinery with the Neck Bushing to prevent eye injury.
- Ensure that the machinery used is compatible with the Neck Bushing specifications.
- Keep hands and other body parts clear of moving parts during operation.
- Do not exceed the recommended specifications for the Neck Bushing to avoid accidents.
- Use appropriate tools and equipment when installing or removing the Neck Bushing.
- If you are inexperienced or unsure about using this product, seek guidance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment before starting.
- Ensure that your work area is clean and welllit.

2. Installation:

- Carefully read the reloading die manufacturer's instructions.
- Align the Neck Bushing with the reloading die according to the manufacturer's specifications.
- Secure the Neck Bushing in place, ensuring it is firmly attached and properly fitted.

3. Usage:

- Follow the reloading process as outlined in your specific reloading die instructions.
- Monitor the Neck Bushing during use to ensure it is functioning correctly.
- If you notice any irregularities, stop using the product immediately and inspect it for issues.

4. PostUsage:

- Clean the Neck Bushing after each use to remove any debris or residue.
- Store the Neck Bushing in a protective case or designated storage area.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste if it is damaged.
- Consider recycling options if available in your area.

Contact Information for Further Support
