

Neck Bushing ⌀15-9,80/.3858

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,80/.3858
- Manufacturer: TRIEBEL
- Product no.: EU2017790
- Mfr. No.: 3000241V-09.80
- Diameter mm: 15 / 9,80
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.80

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the Neck Bushing to avoid accidents and ensure optimal performance.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Inspect the Neck Bushing for any signs of damage or wear before each use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on product recalls and safety notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the Neck Bushing only for its intended purpose of neck sizing.
- Ensure that the Neck Bushing is compatible with your reloading die and equipment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the Neck Bushing.
- Avoid using excessive force during operation to prevent damage to the bushing or your reloading equipment.
- Store the Neck Bushing in a dry, safe place when not in use to prevent rust and damage.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading press is securely mounted and stable.
- Remove any existing bushing from your reloading die if applicable.
- Carefully insert the Neck Bushing into the die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

2. Usage

- Prepare your brass cases for neck sizing by cleaning and inspecting them.
- Insert the brass case into the reloading press.
- Operate the press smoothly and steadily to size the neck of the brass case.
- Inspect the sized case for proper fit and dimensions after sizing.

Disposal Instructions

- Dispose of the Neck Bushing responsibly according to local regulations.
- Do not dispose of the Neck Bushing in regular household waste.
- If the product is damaged beyond use, consider recycling where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's official website.

By following these guidelines, you can ensure a safe and effective experience with your Neck Bushing. Thank

you for your attention to safety and compliance.
