Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose.
- Always handle the Neck Bushing with care to avoid injury.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Neck Bushing for any signs of wear or damage.
- If you notice any damage, discontinue use immediately and seek a replacement.

Specific Safety Precautions for Use

- Always wear safety goggles when using the Neck Bushing to protect your eyes from debris.
- Use gloves to prevent skin irritation and ensure a firm grip on the product.
- Make sure the work area is clean and free from any obstructions that could cause accidents.
- Do not exceed the manufacturer's specified dimensions and tolerances during use.
- Follow all manufacturer guidelines regarding the compatibility of the Neck Bushing with reloading dies.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is securely mounted in your reloading press.
- Carefully insert the Neck Bushing into the designated area of the reloading die.
- Tighten any securing mechanisms to ensure the bushing is firmly in place.

2. Usage:

- Prepare your brass cases according to standard reloading procedures.
- Insert the brass case into the reloading press with the Neck Bushing in place.
- Operate the reloading press according to the manufacturer's instructions, applying smooth and even pressure.
- After sizing, carefully remove the brass case from the press.

Disposal Instructions

- Dispose of any damaged or worn Neck Bushings in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste if it is made of metal; consult local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Neck Bushing, please contact your local distributor or visit the manufacturer's website. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priority.
