

Neck Bushing ⌀15-9,90/.3898

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-9,90/.3898
- Manufacturer: TRIEBEL
- Product no.: EU2017794
- Mfr. No.: 3000241V-09.90
- Diameter mm: 15 / 9,90
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-09.90

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel to ensure durability and accuracy. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the product for damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide to prevent accidents and injuries.
- Report any unsafe product experiences or accidents to local authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling and using the Neck Bushing.
- Avoid using the Neck Bushing if it shows signs of damage, such as cracks or excessive wear.
- Do not attempt to modify or repair the Neck Bushing. If repairs are needed, contact a qualified professional.
- Ensure that the Neck Bushing is securely fitted to the reloading die before use to prevent accidents.
- Store the Neck Bushing in a dry, safe place when not in use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's instructions to secure the Neck Bushing in place.

2. Usage:

- Follow the reloading die manufacturer's guidelines for operation.
- Use the Neck Bushing to resize cases according to your specific reloading requirements.
- Regularly check the Neck Bushing for wear during use and replace it if necessary.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not throw the Neck Bushing in regular household waste if it is damaged or no longer usable.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any inquiries regarding the safe use of the Neck Bushing, please refer to the manufacturer's contact information provided with your product. Ensure you keep this guide for future reference and adhere to the safety instructions outlined above.

Thank you for prioritizing safety and compliance. Enjoy your reloading experience with the Neck Bushing!
