

Neck Bushing ⌀15-10,05/.3957

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,05/.3957
- Manufacturer: TRIEBEL
- Product no.: EU2017796
- Mfr. No.: 3000241V-10.05
- Diameter mm: 15 / 10,05
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.05

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose: neck sizing in reloading processes.
- Always inspect the Neck Bushing for any signs of damage or wear before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and using the Neck Bushing.
- Be aware of your surroundings and ensure that your work area is clean and free from hazards.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle the Neck Bushing with care to avoid injury.
 - Avoid using excessive force when inserting or removing the bushing from the die.
- **Storage:**
 - Store the Neck Bushing in a dry, cool place, away from direct sunlight and moisture.
 - Use the original packaging or a protective case to prevent damage during storage.
- **Usage:**
 - Follow the manufacturer's instructions when using the Neck Bushing with reloading dies.
 - Ensure that the bushing is properly seated in the die before use to maintain accuracy and safety.
- **Maintenance:**
 - Regularly clean the Neck Bushing to remove any debris or residue that could affect its performance.
 - Do not attempt to modify or alter the Neck Bushing in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from any obstructions.
- Carefully insert the Neck Bushing into the reloading die until it is fully seated.
- Secure the die in your reloading press according to the manufacturer's instructions.

2. Usage:

- Prepare your cartridge cases for neck sizing as per your reloading process.
- Insert the cartridge case into the die with the Neck Bushing.
- Operate the reloading press to size the neck of the cartridge case.
- Remove the cartridge case from the die and inspect it for proper sizing.

3. **PostUsage:**

- After use, clean the Neck Bushing with a soft cloth to remove any residue.
- Store the bushing in a safe place to prevent damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged or no longer usable, consider recycling it if facilities are available.

Contact Information for Further Support

For any questions regarding the Neck Bushing, please refer to the manufacturer's contact information provided with the product or visit their official website for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and proper handling to maximize the performance of your reloading equipment.
