

Neck Bushing ⌀15-10,10/.3976

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,10/.3976
- Manufacturer: TRIEBEL
- Product no.: EU2017797
- Mfr. No.: 3000241V-10.10
- Diameter mm: 15 / 10,10
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.10

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this manual carefully before using the Neck Bushing to avoid potential hazards.

General Safety Guidelines

- Always use the Neck Bushing as intended and in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from any hazards before using the product.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage. Do not use if any defects are found.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including safety glasses and gloves, when using the Neck Bushing.
- **Handling:** Handle the Neck Bushing with care to avoid injury. Do not drop or subject it to excessive force.
- **Compatibility:** Ensure the Neck Bushing is compatible with your reloading dies. Use only with original reloading dies from Triebel Waffenwerkzeuge.
- **Temperature:** Avoid exposing the Neck Bushing to extreme temperatures, as this may affect its performance and safety.
- **Storage:** Store the Neck Bushing in a dry and secure location to prevent damage and accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading die is clean and free from debris.
- Gather all necessary tools and equipment for installation.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Insert the Neck Bushing into the reloading die, ensuring it is seated properly.
- Tighten any locking mechanisms according to the manufacturer's specifications.

3. Usage:

- Follow the reloading die's instructions for proper operation.
- Monitor the Neck Bushing during use to ensure it remains secure and functions correctly.
- After use, clean the Neck Bushing to remove any residue or contaminants.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations for metal products.
- Do not dispose of the Neck Bushing in household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By adhering to these safety guidelines, you can ensure the safe and effective use of the Neck Bushing. Thank you for your attention to safety!
