

Neck Bushing ⌀15-10,15/.3996

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,15/.3996
- Manufacturer: TRIEBEL
- Product no.: EU2017798
- Mfr. No.: 3000241V-10.15
- Diameter mm: 15 / 10,15
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.15

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read the entire document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any signs of damage or wear before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the Neck Bushing to avoid injury.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Neck Bushing.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not exceed the recommended sizing limits for the Neck Bushing as specified by the manufacturer.
- Do not modify the Neck Bushing in any way, as this may compromise its safety and effectiveness.
- Follow all manufacturer instructions when using the Neck Bushing with reloading dies.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials required for neck sizing.
- Ensure that your reloading press is clean and properly set up.

2. Installation of the Neck Bushing

- Remove the existing bushing from your reloading die if applicable.
- Insert the Neck Bushing into the die, ensuring it is seated correctly.
- Tighten any locking mechanisms as per the manufacturer's instructions.

3. Using the Neck Bushing

- Place the case into the reloading press.
- Adjust the press to apply the correct amount of force for neck sizing.
- Operate the press smoothly to avoid damaging the case or the bushing.
- Inspect the neck of the case after sizing to ensure it meets the required specifications.

4. PostUse Care

- Clean the Neck Bushing after each use to remove any debris or residues.
- Store the Neck Bushing in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn Neck Bushings in accordance with local regulations.
- Do not throw the Neck Bushing in regular household waste if it is damaged; check for recycling options or hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for ensuring your safety and the safety of others while using the Neck Bushing. Please follow all guidelines to ensure a safe and effective experience.
