

Neck Bushing ⌀15-10,18/.4008

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,18/.4008
- Manufacturer: TRIEBEL
- Product no.: EU2017799
- Mfr. No.: 3000241V-10.18
- Diameter mm: 15 / 10,18
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.18

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing for your reloading needs. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Always ensure that the Neck Bushing is compatible with your reloading die and equipment.
- Inspect the Neck Bushing for any visible damage or defects before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use the Neck Bushing only for its intended purpose—neck sizing of cartridge cases.
- Follow all manufacturer instructions and recommendations when using the Neck Bushing.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the Neck Bushing.
- Ensure that the work area is clean, welllit, and free from distractions.
- Do not exceed the recommended sizing limits specified by the manufacturer.
- Avoid using excessive force during the sizing process to prevent damage to the bushing or the cartridge cases.
- Store the Neck Bushing in a safe and dry location when not in use to prevent corrosion and damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Neck Bushing, reloading die, and cartridge cases.
- Ensure that your reloading press is securely mounted and stable.

2. Installation:

- Remove the existing bushing from your reloading die if applicable.
- Insert the Neck Bushing into the die, ensuring it is seated correctly.
- Tighten the die according to the manufacturer's instructions to secure the bushing in place.

3. Usage:

- Place a cartridge case into the reloading press.
- Operate the press slowly and steadily, allowing the bushing to size the neck of the case.
- Inspect the sized case for uniformity and dimensional accuracy after sizing.
- Repeat the process for additional cases as needed.

Disposal Instructions

- Dispose of any damaged or worn Neck Bushings in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please reach out to your retailer or manufacturer for assistance.

Thank you for prioritizing safety and following these guidelines while using your Neck Bushing.
