

Neck Bushing ⌀15-10,19/.4012

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,19/.4012
- Manufacturer: TRIEBEL
- Product no.: EU2017800
- Mfr. No.: 3000241V-10.19
- Diameter mm: 15 / 10,19
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.19

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precision neck sizing in reloading applications. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the Neck Bushing is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the Neck Bushing out of reach of children and pets.
- Use personal protective equipment, such as safety glasses, when operating machinery.
- Be aware of your surroundings and ensure a safe working environment.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the maximum sizing capacity of the Neck Bushing.
- Avoid using the Neck Bushing with incompatible reloading dies.
- Ensure that the bushing is securely attached to the reloading die before use.
- Do not force the bushing if it does not fit properly; this may cause damage or injury.
- Use only the recommended tools and equipment when handling the Neck Bushing.
- Follow the manufacturer's instructions for operation and maintenance.

Instructions for Installation and Usage

1. Installation:

- Clean the reloading die to ensure there is no debris.
- Select the appropriate Neck Bushing based on the diameter required for your application.
- Insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Secure the bushing by tightening any necessary screws or fasteners as specified by the manufacturer.

2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Place the case in the shell holder of the reloading press.
- Operate the press to size the neck of the case, ensuring a smooth and controlled motion.
- Inspect the sized case for accuracy and proper fit.
- Repeat the process as necessary, ensuring to check the Neck Bushing for wear after multiple uses.

Disposal Instructions

- Dispose of the Neck Bushing responsibly according to local regulations.
- If the product is damaged or no longer needed, consider recycling it if possible.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For any questions or concerns about the Neck Bushing, please refer to the manufacturer's contact information

provided with your product packaging.

Thank you for following these safety instructions. Your safety is our priority.
