

Neck Bushing ⌀15-10,25/.4035

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,25/.4035
- Manufacturer: TRIEBEL
- Product no.: EU2017802
- Mfr. No.: 3000241V-10.25
- Diameter mm: 15 / 10,25
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.25

Safety Instruction Guide for Neck Bushing ⌀1510,25/.4035

Introduction

Thank you for choosing the Neck Bushing ⌀1510,25/.4035. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before using the Neck Bushing to understand the safety measures and proper handling procedures.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the product for any signs of damage or wear before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions and guidelines when using this product.
- Report any unsafe conditions or accidents involving this product to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the Neck Bushing.
- Avoid using excessive force when applying the Neck Bushing to prevent injury or damage.
- Do not attempt to modify or alter the Neck Bushing in any way.
- Ensure that the work area is clean, dry, and welllit to minimize risks during use.
- Be aware of the potential for sharp edges or points on the product. Handle with care.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools and materials required for neck sizing.
- Ensure that your reloading die is compatible with the Neck Bushing.

2. Installation:

- Loosen the lock ring on your reloading die.
- Insert the Neck Bushing into the die, ensuring it is seated properly.
- Tighten the lock ring securely to hold the Neck Bushing in place.

3. Usage:

- Place the cartridge case into the reloading press.
- Slowly raise the ram to engage the Neck Bushing with the cartridge case neck.
- Apply steady pressure until the neck sizing is complete.
- Lower the ram and remove the resized cartridge case.

4. PostUsage:

- Inspect the resized cartridge case for any defects.
- Clean the Neck Bushing after use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Neck Bushing responsibly in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Neck Bushing, please consult the manufacturer's website or customer service channels.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing ⌀1510,25/.4035. Thank you for your attention to safety.
