Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing during the reloading process. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Always inspect the bushing before use for any signs of damage or wear.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Do not use the bushing for any purpose other than its intended use.
- If you encounter any issues or have questions, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Neck Bushing.
- Ensure that your work area is clean and free from obstructions to prevent accidents.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid applying excessive force when using the bushing to prevent damage and ensure safety.
- Be cautious of sharp edges and surfaces when handling the bushing.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading press is clean and properly set up.
- Gather all necessary tools and materials before starting.

2. Installation:

- Remove the existing bushing from your reloading die, if applicable.
- Insert the Neck Bushing into the die according to the manufacturer's instructions.
- Ensure that the bushing is securely in place before proceeding.

3. Usage:

- Follow the specific reloading procedure for neck sizing as outlined in your reloading manual.
- Monitor the bushing during use for any signs of wear or damage.
- After use, clean the bushing to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations for metal products.
- Do not dispose of the bushing in regular household waste.
- If the bushing is damaged or worn beyond use, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please refer to the manufacturer's website or contact your retailer for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the Neck Bushing. Your safety is paramount, and we encourage you to reach out for support if needed. Thank you for your attention to these guidelines.
