Neck Bushing Safety Instruction Guide

Introduction

Thank you for purchasing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use of the Neck Bushing, please read this safety instruction guide carefully. It is important to follow these guidelines to avoid potential hazards and ensure the longevity of the product.

General Safety Guidelines

- Always inspect the Neck Bushing before use for any signs of damage or wear.
- Ensure that the Neck Bushing is compatible with your reloading dies.
- Use the Neck Bushing only for its intended purpose as specified in this manual.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Neck Bushing.
- Do not exceed the manufacturer's recommended specifications for use.
- Avoid contact with sharp edges during handling and usage.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Do not use the Neck Bushing if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and equipment ready before beginning installation.
- Clean the area where the Neck Bushing will be used to avoid contamination.

2. Installation:

- Secure the Neck Bushing in the reloading die according to the manufacturer's instructions.
- Tighten any screws or fasteners securely to prevent movement during operation.

3. Usage:

- Place the cartridge case into the die with the Neck Bushing installed.
- Follow the reloading die's instructions for neck sizing procedures.
- Monitor the process closely to ensure consistent sizing and avoid overworking the material.

4. PostUsage:

- Remove the Neck Bushing from the die after use and clean it thoroughly.
- Store the Neck Bushing in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal recycling.
- Do not dispose of the Neck Bushing in regular household waste.

- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's website or contact their customer service team. Ensure you have the product details and any relevant information ready for a prompt response.

By following these safety instructions, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to these guidelines.
