

Neck Bushing ⌀15-10,78/.4244

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,78/.4244
- Manufacturer: TRIEBEL
- Product no.: EU2017807
- Mfr. No.: 3000241V-10.78
- Diameter mm: 15 / 10,78
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.78

Neck Bushing Safety Instruction Guide

Introduction

Thank you for purchasing the Neck Bushing. This guide provides essential safety instructions and information for the proper use and maintenance of the product. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free from obstructions.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Neck Bushing.
- Ensure that the Neck Bushing is compatible with your reloading die before use.
- Do not exceed the recommended pressure or force when using the Neck Bushing.
- Avoid using the Neck Bushing for purposes other than its intended use.
- Keep hands and other body parts clear of moving parts during operation.
- Do not modify the Neck Bushing in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in the press.
- Insert the Neck Bushing into the appropriate section of the reloading die.
- Tighten any locking mechanisms to secure the bushing in place.

2. Usage:

- Adjust the press to the desired setting based on the specifications of your reloading requirements.
- Place the cartridge case into the die and ensure it is properly aligned.
- Operate the press smoothly and steadily, applying consistent force.
- After sizing, carefully remove the cartridge case from the die.

3. PostUse Care:

- Clean the Neck Bushing after each use to remove any debris or residue.
- Store the Neck Bushing in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the material where possible.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the Neck Bushing, please contact the manufacturer directly through the provided contact channels. Ensure you have your product details available for reference.

Thank you for prioritizing safety while using the Neck Bushing. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
