

Neck Bushing ⌀15-10,80/.4252

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,80/.4252
- Manufacturer: TRIEBEL
- Product no.: EU2017809
- Mfr. No.: 3000241V-10.80
- Diameter mm: 15 / 10,80
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.80

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing in reloading processes.
- Always inspect the bushing for any signs of damage or wear before use. Do not use a damaged bushing.
- Keep the Neck Bushing out of reach of children and pets to prevent accidental injury.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushing.
- Be aware of your surroundings and ensure that your workspace is clean and free from distractions while using the bushing.
- If you experience any discomfort or notice any unusual behavior while using the bushing, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the bushing is properly secured in the reloading die before use.
- Avoid excessive force when resizing the neck to prevent damage to the bushing or the reloading equipment.
- Follow the manufacturer's instructions for your reloading equipment to ensure proper usage of the Neck Bushing.
- Do not attempt to modify or alter the bushing in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and materials, including your reloading die, the Neck Bushing, and any other required equipment.
2. **Installation:**
 - Ensure that the reloading die is clean and free from debris.
 - Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
 - Secure the bushing firmly to prevent it from loosening during use.
3. **Usage:**
 - Place the cartridge case into the reloading die with the Neck Bushing installed.
 - Slowly and steadily apply pressure using your reloading press to resize the neck of the cartridge case.
 - Monitor the resizing process to ensure consistent results and prevent oversizing.
4. **PostUse:**
 - Once resizing is complete, carefully remove the cartridge case from the die.
 - Clean the Neck Bushing after use to maintain its performance and longevity.
 - Store the bushing in a safe and dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing responsibly. Do not throw it in regular household waste.
- If the bushing is damaged beyond use, consider recycling it according to your local recycling regulations.
- Always check with local authorities for specific disposal guidelines related to metal products.

Contact Information for Further Support

For any questions regarding the safety or use of the Neck Bushing, please refer to the manufacturer's contact information provided with the product.

Please ensure that you stay informed about any recalls or safety alerts related to the Neck Bushing by checking the EU's Safety Gate platform regularly.

Thank you for your attention to these safety instructions. Your safety is our priority.
