

Neck Bushing ⌀15-10,87/.4280

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,87/.4280
- Manufacturer: TRIEBEL
- Product no.: EU2017813
- Mfr. No.: 3000241V-10.87
- Diameter mm: 15 / 10,87
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.87

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any signs of damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and pets to prevent accidental injury.
- Use protective eyewear when operating any machinery with the Neck Bushing to prevent eye injuries.
- Follow all safety instructions provided with your reloading equipment to minimize risks.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when handling the Neck Bushing.
- Avoid contact with sharp edges of the Neck Bushing during handling.
- Ensure that the Neck Bushing is securely attached to the reloading die before use to prevent it from coming loose during operation.
- Do not exceed the recommended specifications for the Neck Bushing as indicated by the manufacturer.
- If you experience any unusual sounds or vibrations while using the Neck Bushing, stop using it immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the designated area of the reloading die.
- Tighten the locking mechanism securely to ensure the Neck Bushing is held firmly in place.
- Doublecheck that the Neck Bushing is properly aligned before proceeding.

2. Usage:

- Set your reloading press according to the manufacturer's specifications.
- Place the cartridge case into the reloading die with the Neck Bushing installed.
- Operate the reloading press slowly and steadily to ensure even neck sizing.
- After use, remove the cartridge case carefully and inspect for proper sizing.

Disposal Instructions

- Dispose of the Neck Bushing responsibly at the end of its life cycle.
- Follow local regulations for the disposal of metal products.
- Do not throw the Neck Bushing in regular trash; consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please refer to the contact information provided by the manufacturer or retailer.

By following these guidelines, you can ensure safe and effective use of the Neck Bushing. Thank you for your attention to these important safety instructions.
