

Neck Bushing ⌀15-10,88/.4283

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,88/.4283
- Manufacturer: TRIEBEL
- Product no.: EU2017814
- Mfr. No.: 3000241V-10.88
- Diameter mm: 15 / 10,88
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.88

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the Neck Bushing to avoid any potential hazards.

General Safety Guidelines

- Always ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Inspect the Neck Bushing for any visible damage before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the Neck Bushing only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for updates on recalls or safety notices on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the Neck Bushing.
- Ensure that your workspace is clean, dry, and welllit to avoid accidents.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid using excessive force when operating the Neck Bushing to prevent injury or damage.
- Do not modify or alter the Neck Bushing in any way, as this may compromise safety and functionality.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and free of any obstructions.
- Gather all necessary tools and materials for use with the Neck Bushing.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Inspect the Neck Bushing for any signs of damage.
- Insert the Neck Bushing into the reloading die according to the manufacturer's specifications.
- Ensure that the Neck Bushing is securely fitted and properly aligned.

3. Usage:

- Follow the reloading die instructions for proper operation.
- Perform neck sizing with a steady and controlled motion.
- Regularly check the Neck Bushing for wear and tear during use.
- Stop using the Neck Bushing immediately if any issues are detected.

4. PostUse:

- Clean the Neck Bushing after use to maintain its performance.
- Store the Neck Bushing in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste if it is damaged or no longer usable.
- Consult local waste management guidelines for the proper disposal of metal products.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information included with the product packaging or visit the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Your safety is our priority.
