

Neck Bushing ⌀15-10,90/.4291

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,90/.4291
- Manufacturer: TRIEBEL
- Product no.: EU2017815
- Mfr. No.: 3000241V-10.90
- Diameter mm: 15 / 10,90
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.90

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing in reloading processes.
- Always inspect the Neck Bushing for any signs of damage or wear before use. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves while handling the Neck Bushing.
- Follow all local regulations and guidelines for the safe handling and use of reloading equipment.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The Neck Bushing is made from hardened steel and may cause injury if mishandled.
- The precision ground edges can be sharp; handle with care to avoid cuts.

- **Avoiding Hazards:**

- Always use the Neck Bushing in a well-lit area to ensure clear visibility during operation.
- Do not apply excessive force when using the Neck Bushing; this may lead to equipment failure or personal injury.
- Ensure that the Neck Bushing is properly fitted to your reloading die before use.

- **Age-specific Warnings:**

- This product is not intended for use by individuals under the age of 18. Keep it stored securely away from minors.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading die is clean and free from debris.
2. Carefully insert the Neck Bushing into the reloading die, ensuring it fits snugly.
3. Tighten any securing mechanisms as per the reloading die's instructions to hold the Neck Bushing in place.

- **Usage:**

1. Prepare your brass cases for neck sizing according to your reloading procedures.
2. Insert the brass case into the reloading die with the installed Neck Bushing.
3. Follow your reloading die's instructions for applying pressure to size the neck of the brass case.
4. After use, carefully remove the brass case from the die and inspect it for proper sizing.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations for metal waste.
- Do not throw the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged beyond use, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Neck Bushing, please refer to the product packaging or your retailer for contact details.

Ensure that you keep this safety instruction guide for future reference and share it with anyone who may use the Neck Bushing. By following these guidelines, you contribute to a safe and effective reloading experience.
