

Neck Bushing ⌀15-10,92/.4299

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-10,92/.4299
- Manufacturer: TRIEBEL
- Product no.: EU2017816
- Mfr. No.: 3000241V-10.92
- Diameter mm: 15 / 10,92
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-10.92

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This safety instruction guide provides essential information to ensure the safe and effective use of your product. Please read this guide carefully before using the Neck Bushing to avoid potential hazards and ensure compliance with safety regulations.

General Safety Guidelines

- **Product Safety:**
 - Ensure safe use of the Neck Bushing by following all instructions.
 - Be aware of risks associated with improper use.
- **Enhanced Recalls:**
 - Familiarize yourself with recall notices and remedies for dangerous products.
- **Online Shopping:**
 - If purchased online, ensure the platform meets safety requirements.
- **Special Consumer Focus:**
 - Extra caution is advised when used by vulnerable groups, including children.
- **EU Contact Point:**
 - For safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:**
 - Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the Neck Bushing for any signs of damage or wear before use.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the bushing is properly secured in the reloading die before use.
- Avoid using excessive force when resizing necks to prevent damage to the bushing or the die.
- Keep the Neck Bushing out of reach of children and pets to prevent accidental injury.
- Do not use the bushing for applications other than intended neck sizing.

Instructions for Installation and Usage

1. Installation:

- Ensure your workspace is clean and free of obstructions.
- Insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten the locking mechanism of the die to secure the bushing in place.

2. Usage:

- Prepare the cases for resizing by cleaning and inspecting them.
- Set your reloading press to the appropriate settings for neck sizing.
- Place the case into the die and operate the press slowly and steadily.
- Monitor the resizing process to ensure the bushing is functioning correctly.
- After resizing, remove the case and inspect it for proper neck dimensions.

Disposal Instructions

- Dispose of the Neck Bushing responsibly at the end of its life cycle.
- Do not dispose of the bushing in regular household waste.
- Check local regulations for proper disposal methods for metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the Neck Bushing, please refer to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
