

Neck Bushing ⌀15-11,02/.4339

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-11,02/.4339
- Manufacturer: TRIEBEL
- Product no.: EU2017820
- Mfr. No.: 3000241V-11.02
- Diameter mm: 15 / 11,02
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-11.02

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing, a highquality tool designed for precise neck sizing in reloading applications. This safety instruction guide is intended to ensure the safe and effective use of the Neck Bushing while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose, which is neck sizing for reloading.
- Always inspect the Neck Bushing for any signs of damage or wear before use. Do not use if damaged.
- Store the Neck Bushing in a dry, safe place, away from children and unauthorized users.
- Keep the work area clean and organized to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Neck Bushing.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended specifications for the Neck Bushing. Using it outside these limits can result in accidents or damage.
- Avoid using excessive force during the sizing process to prevent breakage or injury.
- Ensure that all equipment used with the Neck Bushing is compatible and in good working condition.
- If you experience any unusual resistance or difficulty while using the Neck Bushing, stop immediately and inspect for issues.
- Do not modify the Neck Bushing in any way. Alterations can compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure your reloading setup is stable and secure.
- Gather all necessary tools and materials before starting.

2. Installation:

- Insert the Neck Bushing into the appropriate reloading die.
- Ensure it is seated properly and securely tightened according to the die manufacturer's instructions.

3. Usage:

- Place the cartridge case into the die.
- Apply even and consistent pressure to size the neck of the cartridge case.
- Inspect the case after sizing to ensure proper dimensions and fit.

4. PostUse Care:

- Clean the Neck Bushing after each use to remove any residue.
- Store the Neck Bushing in its protective case or a safe location.

Disposal Instructions

- Dispose of the Neck Bushing responsibly. If it is damaged or no longer usable, follow local regulations for

metal disposal.

- Do not throw the Neck Bushing in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please refer to the EUbased contact point provided with your product purchase. Additionally, you can check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for using the Neck Bushing responsibly and safely. Your adherence to these guidelines helps ensure a safe reloading experience.
