

Neck Bushing ⌀15-11,05/.4350

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-11,05/.4350
- Manufacturer: TRIEBEL
- Product no.: EU2017821
- Mfr. No.: 3000241V-11.05
- Diameter mm: 15 / 11,05
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-11.05

Neck Bushing Safety Instruction Guide

Introduction

Thank you for purchasing the Neck Bushing. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the Neck Bushing to familiarize yourself with the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing in reloading applications.
- Always handle the product with care to avoid injury or damage.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- If the Neck Bushing appears damaged or defective, discontinue use immediately and contact an authorized service provider.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Neck Bushing.
- Ensure that the reloading die setup is stable and secure before operating any machinery.
- Do not exceed the manufacturer's recommended specifications for the Neck Bushing to avoid potential hazards.
- Avoid direct contact with moving parts during operation to prevent injury.
- Use the Neck Bushing in a wellventilated area to minimize exposure to dust and other particles.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged.
- Carefully insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Secure the Neck Bushing in place, ensuring it is properly aligned and tightened.

2. Usage:

- Prepare the cases for neck sizing by ensuring they are clean and free from debris.
- Insert the case into the reloading press and engage the Neck Bushing.
- Apply steady and even pressure while sizing the neck of the case.
- After sizing, carefully remove the case from the reloading press.
- Store the Neck Bushing in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn Neck Bushings in accordance with local regulations.
- Do not dispose of the Neck Bushing in household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Neck Bushing, please refer to the contact information provided by the manufacturer or authorized distributor.

Please ensure that you follow these safety instructions to promote safe use of the Neck Bushing. Regularly check for updates and recalls related to the product through the EU's Safety Gate platform to stay informed about any safety alerts. Thank you for prioritizing safety in your reloading activities.
