

Neck Bushing ⌀15-11,15/.4390

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀15-11,15/.4390
- Manufacturer: TRIEBEL
- Product no.: EU2017823
- Mfr. No.: 3000241V-11.15
- Diameter mm: 15 / 11,15
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000241V-11.15

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding safety, installation, usage, and disposal.

General Safety Guidelines

- Always handle the Neck Bushing with care to avoid injury.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- If you notice any defects, discontinue use immediately and contact the manufacturer for guidance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Ensure that the Neck Bushing is properly secured in the reloading die before use.
- Do not exceed the recommended sizing limits to prevent damage to the bushing and ensure safety.
- Avoid using the bushing with incompatible materials or in applications for which it was not designed.
- Always follow the manufacturer's guidelines for maintenance and care.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

2. Usage:

- Before starting, verify that the reloading press is in good working condition.
- Place the cartridge case into the reloading press.
- Slowly and steadily apply pressure to the press to resize the neck of the cartridge.
- Monitor for any unusual resistance or noise during the resizing process and stop immediately if encountered.
- After use, clean the Neck Bushing to remove any residue or debris.

Disposal Instructions

- Dispose of the Neck Bushing according to local regulations regarding metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the product packaging for the manufacturer's contact information. Always ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can help ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to these important guidelines.
