# Neck Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Neck Bushing.

## General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose of neck sizing.
- Always inspect the Neck Bushing for any visible damage or wear before use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions and guidelines for safe operation.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling the Neck Bushing.
- Do not exceed the recommended specifications for use. Ensure compatibility with your reloading die.
- Avoid using the Neck Bushing if it is damaged or if you notice any irregularities.
- Use the Neck Bushing in a wellventilated area to avoid inhaling any dust or particles generated during use.
- Do not attempt to modify or alter the Neck Bushing in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Carefully read the instructions provided with your reloading die.
- Insert the Neck Bushing into the designated area of the reloading die, ensuring it is seated properly.
- Secure the Neck Bushing according to the manufacturer's instructions.

### 3. Usage:

- Follow the reloading die's guidelines for proper operation.
- Monitor the neck sizing process closely to ensure consistent results.
- Regularly check the Neck Bushing for wear during use and replace if necessary.

## Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the Neck Bushing in regular household waste.
- If the Neck Bushing is damaged or no longer usable, take it to a designated recycling facility.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Neck Bushing, please reach out to your local retailer or manufacturer. They can provide you with the necessary assistance and information.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the Neck Bushing.
