Safety Instruction Guide for Reloading Die Spare Parts Spring for BR Dies 7/8"

Introduction

Thank you for choosing the Reloading Die Spare Parts Spring for BR dies 7/8". This product has been precisionmanufactured from highquality spring steel to ensure reliable function in bench rest reloading dies. It is designed to be compatible with original dies from Triebel Waffenwerkzeuge. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use protective eyewear when handling or using reloading equipment to prevent injury.
- Avoid using excessive force during installation or adjustment of the spring.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Always ensure that the reloading die is securely attached before use.
- Store the product in a dry and safe place to prevent rust or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is removed from the press before installing the spring.
- Carefully insert the spring into the designated slot within the reloading die.
- Ensure that the spring is seated properly and is not obstructed by any other components.
- Reattach the reloading die to the press securely.

2. Usage:

- Follow the standard reloading procedures as per the die manufacturer's instructions.
- Monitor the performance of the spring during use; if any irregularities are observed, cease use immediately.
- After completing the reloading process, remove the die from the press and inspect the spring for wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided by the manufacturer

or retailer at the time of purchase. Ensure you keep the receipt and any warranty information for your records.

By following these guidelines, you can ensure safe and effective use of the Reloading Die Spare Parts Spring for BR dies 7/8". Thank you for your attention to these important safety instructions.
