Safety Instruction Guide for Accessories Adapter for Harris Bipod Lever

Introduction

Thank you for choosing the Accessories Adapter for Harris Bipod Lever. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure the product is compatible with your equipment before use.
- Always inspect the adapter for any signs of damage or wear before installation.
- Do not use the adapter if it appears to be defective or damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only on Picatinny rails as intended.
- Do not exceed the weight limit specified by the bipod manufacturer.
- Ensure that the adapter is securely fastened before use to prevent accidents.
- Avoid using the adapter in extreme weather conditions that may affect its performance.
- Regularly check the tightness of the attachment to ensure stability during use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a compatible screwdriver.
- Ensure that the working area is clean and free from obstructions.

2. Installation Steps

- Locate the Picatinny rail on your firearm.
- Align the extralong base body of the adapter with the rail.
- Slide the adapter onto the rail until it is fully seated.
- Use the appropriate tool to tighten the screws, ensuring the adapter is secure.

3. Usage Instructions

- Once installed, check the stability of the adapter before attaching the bipod.
- Follow the bipod manufacturer's instructions for attaching and using the bipod.
- Regularly check the connection between the adapter and the bipod to ensure safety during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
