Safety Instruction Guide for Accessories Adapter for Harris Bipod

Introduction

Thank you for choosing the Accessories Adapter for Harris Bipod. This guide provides essential safety instructions, installation tips, and usage guidelines to ensure safe and effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions to prevent accidents or injuries.
- Always inspect the product for any damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose, which is to mount on Picatinny rails.
- Be aware of your surroundings when using the bipod to avoid accidental injury to yourself or others.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer when using the bipod.
- Ensure that the attachment to the handguard is secure before use to prevent accidental detachment.
- Avoid using the product in extreme weather conditions that may affect its performance or safety.
- Regularly check the stability of the bipod during use, especially after adjustments.
- If you experience any issues with the product, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure that the Picatinny rail is clean and free from debris.
- Align the adapter with the Picatinny rail, ensuring that the extralong base body is positioned for stability.
- Secure the adapter by tightening the mounting screws provided with the product. Ensure it is firmly attached.
- Check the stability of the installation before proceeding to use the bipod.

2. Usage

- When using the bipod, ensure that it is properly adjusted to your height and shooting position.
- Always maintain a firm grip on the firearm when mounted on the bipod.
- Avoid sudden movements that could destabilize the bipod during use.
- After use, detach the bipod carefully, ensuring that no parts are left behind.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult with local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Accessories Adapter for Harris Bipod, please contact the manufacturer directly. They can provide you with the necessary assistance and information regarding safety and product use.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your Accessories Adapter for Harris Bipod.
